SCHWEIZERHOF BERN OPENS A “TUBBO” ON THE SKY TERRACE

Bern, 22nd November 2018 - **The Sky Terrace of the Hotel Schweizerhof Bern & THE SPA is getting itself ready for the winter. In early November, the hotel installed a Polycarbonate “Tubbo” on its rooftop terrace – a transparent, tunnel-like structure that will keep visitors out of the elements, warm and dry**

Flexible decor

The hotel’s new Tubbo officially begins operation on Wednesday, 28th November 2018. Inside this special transparent structure, guests will be able to enjoy piping hot raclette, homemade pumpkin soup, vermicelli and a number of other winter specialities. Through February 2019, the Tubbo will be open from Wednesday to Friday from 4:00 pm to 9:00 pm and on Saturdays and Sundays from 11:00 am to 9:00 pm. Group events in the Tubbo can already be booked now, as this unique structure is ideal for meetings or any other kind of gatherings of up to 20 people. Flexible in its decor, the Tubbo can be set up according to the wishes of the guests.

In Bern: the only one of its kind

The first Tubbo in Bern allows the hotel’s renowned Sky Terrace to offer an all-new dining concept, with guests protected from the winter weather yet looking out over the snowy rooftops of the Old Town. “We are really looking forward to the winter season”, says Iris Flückiger, General Manager of the Hotel Schweizerhof Bern & THE SPA, “and we’re particularly happy that we could make this special, very innovative concept a reality, as it gives us a new way to spoil our guests on the Sky Terrace – now in the winter, too. It’s something unique for Bern.”

Opening hours:

28th November 2018 to February 2019
Wednesday to Friday, 4:00 pm to 9:00 pm
Saturday and Sunday, 11:00 am to 9:00 pm
